

SPARKTEEZ®

The non alcoholic sparkling tea

ORGANIC

Our story

SPARKTEEZ was born out of two simple ideas:

To create a unique, premium and elegant beverage based on one of the best ingredients the earth has given us: tea.

To create an optimistic experience that awakens the senses, without compromising on pleasure and quality to celebrate with refinement on any occasion.

A perfect combination, A unique recipe

Bring together the two best organic teas on earth: Darjeeling tea from India, known as the "Champagne" of teas, and White tea from the Chinese highlands to create the perfect symbiosis.

Add fine, light bubbles.

Let the magic happen!

Our “Champagne”-style sparkling tea is a premium, festive and delicate concept: the NON-ALCOHOLIC alternative to overly sweet sodas and alcoholic drinks.

A unique experience combining the natural benefits of tea and the finesse of bubbles.
